

Introducing our

**NEW** Chair Configurations for

# Brookfield & Hardrock

Supporting children &  
their families *for life*

# Revised Chair Specifications

We're excited to announce that from March 1 2024, we'll be launching the specifications for our Brookfield and Hardrock chairs after taking into account your valuable feedback. While still maintaining our high standards, we have made essential modifications to better meet your requirements.

Our latest specifications will provide more value and cost-effectiveness, with shortened lead times and fewer accessories to enhance usability.

## Brookfield

- Low back, moulded back
- Contoured seat with buckle strap
- Includes standard 2 point strap
- Ocean Blue

## Hardrock new spec

- Low back
- Fully slotted
- Standard 2 point lap strap
- Anti thrust cushions
- Ski transporter base
- Blue

Our friendly experts are here to help and we're offering **FREE products demonstrations** on these popular chairs!
