about us

Smirthwaite USA LLC is dedicated to enriching the lives of children with additional needs. We provide high-quality, bespoke and user-friendly pediatric equipment designed to support their physical and emotional development. Our products are crafted with care, ensuring safety, comfort, and durability.

Our vision is to live in a world that's inclusive of everyone. Working closely with children, parents, caregivers and therapists, we have developed a comprehensive range of **seating, standing, toileting & bathing, changing & showering** products including a new **plus range**.
